

To the Pastor, Elders and Church Board

Invitation to commit to a One Voice Digital Pathway

Dear Pastor, Elders and Board Members,

We warmly invite your church to prayerfully consider committing to one of the three One Voice Digital Pathways.

Most people in our communities now spend hours online every day. The Digital Pathways help your church meet them there, offer real help, and invite them into Faith Talks, Bible study and the life of your church. The ready-made resources are already in place. What each church needs is a clear plan, the right people and a steady rhythm.

Starter

One social media platform, a simple sign-up form, and training in how the system works.

Intermediate

Two platforms, a website landing page, and regular personal follow-up.

Advanced

Three or more platforms, YouTube livestream, and automated follow-up.

The enclosed guide explains each pathway, the outcomes it delivers after 12 months, and a short self-check to show where to start. You can also take the check online at **1voice.nz/pathways**.

OUR COMMITMENT

For each participating church, One Voice will invest time, training, mentoring through our Champions, free resources and, where a church shows consistency, some operational funding. Our aim is not to run ministry for you, but to equip your people so the pathway is owned and sustained locally.

WHAT WE ASK

Because this is a real investment of finances and time, we ask each church to:

- endorse its chosen pathway by a board vote, recorded in the minutes;
- name a Pathway Lead and a team suited to the pathway;
- commit for 12 months, with a check-in every quarter; and
- keep a steady, sustainable rhythm, following up every contact within 48 hours.

NEXT STEPS

Please discuss the enclosed guide at your next board meeting and return the signed commitment form by _____. We are glad to meet your board or leaders, in person or on Zoom, to answer any questions.

Thank you for your faithfulness and leadership. We look forward to seeing your church become a light on the map.

Yours in His mission,
